

MAIN EVENT

ENTERTAINMENT LLC

Retainer Fees: A non-refundable retainer fee is required to secure any of our services for your event, and is due after signing a contract. The retainer fee is deducted from the base rate. The office will accept credit cards, personal or bank checks for retainer fees.

Balances: All balances are due two weeks before the event date. Balance is payable directly to the individual Performer in the form of a **personal or bank check**.

Travel Fees: We offer free travel for up to fifty miles or 1 hour from the Performer's home location. Any event location outside of our free zone radius will be charged a travel fee. Travel fees will be calculated by the office manager on a sliding scale. Travel fees apply for each service that requires a separate vehicle: DJ, JP, PhotoBooth, and Ceremony Musicians.

Weather: For outdoor events, our entertainers, PhotoBooth, and UpLights cannot perform in any type of precipitation. There must be a tent or indoor option if inclement weather occurs. If ground is wet or damp, there must be some type of raised or hard floor to set up on - we cannot set up in wet or damp grass.

Tipping: Tipping is not required, yet always appreciated. Please present any tips directly to the performer and not the office.

**Prices are subject to change without notice.*

*Can only be booked as a JP if they are also your DJ, and cannot attend rehearsals.

- 10 minute postlude while guests are leaving the ceremony area.

**Church ceremonies often need to book overtime*

Rehearsals: There will be a charge of \$100 to have one musician present during a ceremony rehearsal.

Weather: Because of the delicate nature of the instruments, string musicians can only play outside in temperatures of 60 degrees or more. If sunny, there must be a shaded area or canopy provided. If there is any inclement weather there must be a heated indoor option or a heated canopy with sides. If there is heavy rain and wind, the musicians cannot play outside at all.
